

# B&B Proposal Process

Once proposal contract is agreed upon and signed, within **15 business** days:

- B&B creates 2-3 initial concepts
- 1 drawing/rendering of each concept, sent to the client digitally
- Brief narrative explaining the concepts

Client provides feedback within **10 business** days and 1 concept is chosen to move forward in development.

If client wants to develop multiple concepts, an additional \$500 is required per concept.

After client feedback is received, B&B will provide final proposal in **20 business** days:

- 4 images/views of proposed sculpture/installation, and a computer based 3D model OR a physical model
- A one page narrative description
- A detailed budget
- Proposed maintenance plan
- Teleconference with the artist to present package (In person meetings can be discussed and may require travel fee and per diem)

Artist can incorporate one round of client feedback/revisions before decision is made whether or not to move into production.

If the client does not move into production the proposal concepts remain the sole intellectual property of the artist.

Cost: \$1000

\$500 upon contract signing and \$500 after final proposal is delivered.

Expedited proposals are possible and can be discussed.
